

PRIVACY POLICY OF DESIGN DUBB LLC dba ONNI CREATIVE

1.1 Purpose

Design Dubb LLC dba Onni Creative ("Onni") (collectively, "Onni," the "Company," "we", "our" or "us") are sensitive to privacy issues, and it is important to us to protect the information provided to us. Accordingly, Onni provides this privacy and information practices policy ("Privacy Policy") to inform you about our online information practices, the kinds of information we may collect, how we intend to use and share that information, and how you can correct or change such information. We encourage you to read this Privacy Policy in its entirety before submitting any information.

By continuing to use our websites, or submitting or requesting information to us, you acknowledge that you understand and agree with the provisions of this Privacy Policy. If you are unable to review or access this Privacy Policy due to a disability, you may contact us to request access to this Privacy Policy in an alternative format. Please call the Onni Creative Privacy Officer ("Privacy Officer") at (424)284-6481 or send an email to privacy@onncreative.XYZ.

1.2 Scope

This Privacy Policy applies to Personal Information that is collected, used, and retained by Onni in the course of our business, including on Company websites and Company online portals (together with any and all future websites operated by or on behalf of Onni and its now existing and future affiliates, the "Sites"). All individuals whose responsibilities include the processing of Personal Information on behalf of Onni are expected to protect that data by adherence to this Privacy Policy. For purposes of this Privacy Policy "Personal Information" is defined as any information that identifies an individual. Examples of Personal Information collected, stored and used by Onni are described throughout this Privacy Policy.

2.0 Transparency/Notice—What Personal Information We Collect and How We Use It

The types of Personal Information we may collect (directly from you or from Third Party-sources) and our privacy practices depend on the nature of the relationship you have with Onni and the requirements of applicable law governing Onni and in the jurisdiction where you reside. We endeavor to collect information only relevant for the purposes of processing information. Below are the legal bases and some of the ways we collect information and how we use it.

2.1 Individuals

Onni collects Personal Information regarding its customers, visitors and guests including business partners, cinema owners, vendors, employees, workers, contractors or job applicants (collectively "Individuals") consultants, directors and officers.

2.2 Information Onni Collects

The data we collect from or about Individuals include information that may be deemed Personal Information (alone or in combination with other Information), such as name, address, age, birth date, phone number, email address, user name, government identification – such as social security numbers and driver's license numbers -- and payment information.

For job applicants, we collect Personal Information as described in this Privacy Policy in conjunction with your application, including: name, address, e-mail address, and other contact information; work authorization status, CV/resume, previous work experience and education information; information related to your knowledge and skills; and, other information that you elect to provide. This information is used to process your application.

For employees, consultants and independent contractors, we collect Personal Information as described in this Privacy Policy in conjunction with your employment or engagement with Onni, which may include: name, address, e-mail address, other contact information, bank account information, benefits information, government identification and other work-related data. This information is used in connection with your employment.

2.3 How Onni Collects Personal Information

Some of the ways that Onni may collect your Personal Information include:

Onni may collect Personal Information from you through various channels, including Sites, the internet, business research conducted by us or paid for by us, in surveys, applications you submit to us, during business or marketing events, information provided to us from our business partners, and when delivering programs and services to you.

When you use the Sites, Onni may provide you with opportunities to sign up to receive specific information or services and may ask for your contact information (e.g., name, home address, home phone number or personal email address), so that we can send you specific information about our products, services, events, with your consent.

From time to time, Onni may also be obligated to collect certain Personal Information to comply with regulatory requirements, including employment information, pay and financial information and social security numbers.

As you navigate the Sites, certain passive information may also be collected, including internet protocol addresses, cookies, navigational data, the name of the domain and host from which you access the internet, the browser software you use and your operating system, the date and time you access our Sites, and the Internet address of the website from which you linked directly to our Sites. This type of information is used for the purposes of gathering data to provide improved administration of our Sites, to improve the quality of your experience when interacting with our Sites, and to enhance our business outreach and services.

2.4 Information from Third Party Sources

Onni may collect information about you from Third Party sources to supplement information provided by you. This supplemental information allows us to verify information that you have provided to Onni and to enhance our ability to provide you with information about our business, products, and services. Onni's agreements with these Third Party-sources typically limit how the Company may use this supplemental information.

2.5 Research/Survey Solicitations

From time to time, Onni may perform research (online and offline) via surveys and market trends. We may engage Third Party service providers to conduct such surveys and research on our behalf. All survey responses are voluntary, and the information collected will be used for research and reporting purposes to help us better serve Individuals by learning more about their needs and the quality of the products, services and educational information we provide. The survey responses may be utilized to determine the effectiveness of our Sites, various types of communications, advertising campaigns and/or promotional activities. If an Individual participates in a survey, the information given will be used along with that of other study participants. We may share de-identified and/or aggregate data for research and analysis purposes.

2.6 How Onni Uses Your Personal Information

Depending on how you interact with Onni, we and our Third Party-service providers may also use Personal Information in a variety of ways, including:

Providing Information and Services You Requested. Onni may use the Personal Information about you to provide you information that you may request, e.g., information about a product or program we are offering. Onni may also use your Personal Information to deliver a specific program or service to you, when you enroll to receive the program or service. Such use may include: (a) generally managing your information and accounts; (b) responding to questions, comments and requests; (c) providing access to certain areas and features of the Onni Sites; (d) permitting you to register for events or participate in webinars; and (e) permitting you to purchase our services or request information regarding them.

Administrative Purposes. Onni may use the Personal Information about you for its administrative purposes, including, without limitation, to: (a) measure interest in Onni's Sites, programs or services; (b) perform internal quality control; (c) verify identity; (d) send communications regarding the Onni Sites, programs or services, your account, or any changes to any Onni policy or terms of service; (e) process payments; and (f) prevent potentially prohibited or illegal activities.

Marketing Products and Services. Onni may use the Personal Information about you to provide you with materials about offers, products and services offered by us, including new content or services on Onni Sites. Onni may provide you with these materials by phone, postal mail, direct messaging, or email, as permitted by applicable law. If you do not wish us to use your Personal Information for marketing purposes, you may contact us at any time to opt out of the use of your Personal Information for such purposes, as further described below.

Research and Development. Onni may use your Personal Information to create identified and de-identified information that we may use alone or in the aggregate with information obtained from other sources, in order to help us to optimally deliver our existing products and services or develop new products, processes and services.

Information Submitted Via Sites. You agree that Onni is free to use the content of any communications submitted by you via the Sites, including any ideas, inventions, concepts, techniques, or know-how disclosed therein, for any purpose including developing, manufacturing, and/or marketing goods or services. However, Onni does not release your name or otherwise publicize the fact that you submitted materials or other information to us unless: (a) you grant us permission to do so; (b) we first send notice to you that the materials or other information you submit to a particular part of the Sites will be published or otherwise used with your name on it; or (c) we are required to do so by law.

Sharing Content with Friends or Colleagues. Onni's Sites may offer various tools and functionality. For example, Onni may provide functionality on its Sites that will allow you to forward or share certain content with a friend or colleague. Email addresses that you may provide for a friend or colleague will be used to send your friend or colleague the content or link you request, but will not be collected or otherwise used by Onni or any other Third Parties for any other purpose. By providing us with the

information of another individual, you represent that you have the authority to do so, and permit us to use the information in accordance with this Privacy Policy.

Pseudonymous Data. Including as discussed below in Section 2.11, Onni may use and share your anonymized or de-identified information within the Onni group of companies or with Third Parties for research, analytics, services fulfillment, and any other legally permissible business purposes.

Automated Profiling and Artificial Intelligence. We may use technologies considered automated decision making or profiling. We will not make automated decisions about you that would significantly affect you, unless such a decision is necessary as part of a contract we have with you, we have your consent, or we are permitted by law to use such technology. You may escalate any concerns you have by contacting us at the address provided below.

Other Uses. Onni may use your Personal Information for other purposes disclosed to you at the time you provide Personal Information or with your consent.

2.7 Social Media

Generally, online social media resources are interactive tools that enable you to collaborate and share information with others. Social media resources include, but are not limited to, social networks, discussion boards, bulletin boards, blogs, wikis, podcasts and referral functions to share web site content and tools with a friend or colleague.

Onni may collect Personal Information to enable you to use online social media resources offered either by Onni or a Third Party. We may also enable you to use these social media resources to post or share Personal Information with others. When using social media resources, you should take into careful consideration what Personal Information you share with others. The social media platforms may have their own privacy policies, and we recommend that you read them carefully before posting content on the social media platforms.

If you use online social media resources offered by a Third Party Social Media Resource ("Third Party SMR") through the Onni Site, you acknowledge that Onni may be able to access any information you make public through such Third Party SMR (such as your username, comments, posts and contacts) and other information your privacy settings on such Third Party SMR permit Onni to access. Onni will comply with the terms of this Privacy Policy and the privacy policies applicable to any Third Party SMR information Onni accesses.

2.8 Marketing Communication

Individuals who provide us with Personal Information, or whose Personal Information we obtain from Third Parties, may receive periodic marketing communications such as emails from us with information on Onni or our business partners' products and services or upcoming special offers/products/services/events we believe may be of interest. We offer the option to decline or opt out of these communications at no cost to the individual.

2.9 All Internet Users – Cookies, Pixel Tags/Web Beacons, Analytics Information, and Interest-Based Advertising

2.9.1 Cookies

Like many other websites, Onni or its Third Party-service providers may employ a cookie, or small piece of computer code that enables Web servers to "identify" visitors, each time an Individual initiates a session on the Company's Sites. A cookie is set in order to: identify Individuals; tailor our Sites to you; measure and research the effectiveness of our Sites' features, offerings and advertisements; and, authenticate users for registered services. In addition, Onni or its Third Party--service providers may collect information from your browser or device for interest-based advertising, using cookies or similar technologies. Cookies can only access Personal Information that you have provided on our Sites and cannot be accessed by other sites. You also have the ability to delete cookie files from your own hard drive at any time by clicking on the Privacy or History tab typically found on the Settings or Options menu in your internet browser. However, please also be advised that cookies may be necessary to provide access to much of the content and many of the features of Onni's Sites. To learn more about cookies, visit <http://www.allaboutcookies.org>.

2.9.2 Pixel Tags/Web Beacons

Onni may use "pixel tags," also known as "web beacons," which are small graphic files that allow us to monitor the use of our Sites. A pixel tag can collect information such as: the Internet Protocol ("IP") address of the computer that downloaded the page on which the tag appears; the URL of the page on which the pixel tag appears; the time the page containing the pixel tag was viewed; the browser type and language; the device type; geographic location; and, the identification number of any cookie on the computer previously placed by that server. When corresponding with you via HTML capable email, we or our Third Party-service providers may use "format sensing" technology, which allows pixel tags to let us know whether you received and opened our email.

2.9.3 Analytics Information

We may also use Google Analytics and Google Analytics Demographics and Interest Reporting to collect information regarding visitor behavior and visitor demographics on some of our Sites, and to develop website content. This analytics data is not tied to any Personal Information. For more information about Google Analytics, please visit www.google.com/policies/privacy/partners/. You can opt out of Google's collection and processing of data generated by your use of the Services by going to <http://tools.google.com/dlpage/gaoptout>.

We may also use Sprout Social and MailChimp Analytics to collect information regarding visitor demographics and preferences. We may use analytic resources that are native to the social media platforms we use, including without limitation, Instagram, Facebook, Thread, and X (formerly Twitter).

2.9.4 Interest-Based Advertising

Through our Sites, in certain instances, Onni allows Third Party advertising partners to set tracking tools (e.g., cookies) to collect information regarding your activities (e.g., your IP address, page(s) visited, time of day). We may also share such information we have collected with Third Party advertising partners. These advertising partners may use this information (and similar information collected from other websites) for purposes of delivering targeted advertisements to you when you visit non-Onni related websites within their networks. This practice is commonly referred to as "interest-based advertising" or "online behavioral advertising."

2.10 Mobile Devices

Onni may provide websites, applications, and online resources that are specifically designed to be compatible and used on mobile devices. Onni will collect certain information that your mobile device sends when you use such websites or online resources, like a device identifier, user settings and the operating system of your device.

Mobile versions of Onni's Sites may require that users log in with an account. In such cases, information about use of each mobile version of the website may be associated with user accounts. In addition, Onni may enable Individuals to download an application, widget or other tool that can be used on mobile or other computing devices. Some of these tools may store information on mobile or other devices. These tools may transmit Personal Information to Onni to enable Individuals to access user accounts and to enable Onni to track use of these tools. Some of these tools may enable users to email reports and other information from the tool. Onni may use personal or non-identifiable information transmitted to the Company to enhance these tools, to develop new tools, for quality improvement and as otherwise described in this Privacy Policy or in other notices Onni provides.

2.11 De-Identified and Aggregated Information

Onni may use your Personal Information and other information about you to create de-identified and aggregated information, such as de-identified demographic information, de-identified location information, information about the computer or device from which you access the Onni Site or other online services, or other analyses we create. De-identified and aggregated information is used for a variety of functions, including the measurement of visitors' interest in and use of various portions or features of the Sites. De-identified or aggregated information is not Personal Information – it does not identify you. Onni may use such information in a number of ways, including research, market forecasting, internal analysis, analytics and any other legally permissible purposes. We may share this information within Onni and with Third Parties for our or their purposes in a de-identified or aggregated form that is designed to prevent anyone from identifying you.

3.0 Choice/Methods to Opt Out

You have the right to opt out of certain uses and disclosures of your Personal Information, as set out in this Privacy Policy. Where you have consented to Onni's processing of your Personal Information you may withdraw that consent at any time and opt out by following the included opt out instructions.

3.1 Communications

An "Unsubscribe" option will be provided on certain communications by Onni so you can opt out of future communications. However, we may continue to send transaction-related communication regarding products or services you have requested in response to such request. We may need to send you certain communications regarding the Onni programs and services and you will not be able to opt out of those communications.

3.2 "Do Not Track"

Do Not Track ("DNT") is a privacy preference that users can set in certain web browsers. DNT is a way for users to inform websites and services that they do not want certain information about their webpage visits collected over time and across websites or online services. Onni does not recognize or respond to browser-initiated DNT signals. For information about "do-not-track", visit <http://www.allaboutdnt.org>.

3.3 Advertising Choices

Onni may use information related to your browsing activities for interest-based advertising purposes. The online advertising industry provides websites from which you may opt out of receiving targeted ads from participants self-regulatory programs. You can access these websites and learn more about targeted advertising and consumer choice and privacy, at www.networkadvertising.org/managing/opt_out.asp, <http://www.youronlinechoices.eu/>,

<https://youradchoices.ca/choices/>, and www.aboutads.info/choices/. To separately make choices for mobile apps on a mobile device, you can download DAA's AppChoices application from your device's app store. Alternatively, for some devices you may use your device's platform controls in your settings to exercise choice.

Please note you must separately opt out in each browser and on each device. Advertisements on third party websites that contain the AdChoices link may have been directed to you based on information collected by advertising partners over time and across websites. These advertisements provide a mechanism to opt out of the advertising partners' use of this information for interest-based advertising purposes.

Even if you opt-out, we may still collect and use information regarding your browsing activities on our Sites and/or information from the advertisements on Third Party websites for non-interest-based advertising purposes, such as to determine the effectiveness of the advertisements.

4.0 Onward Transfer

4.1 Information We Share

Onni does not sell your Personal Information. Except as provided below, Onni does not share or disclose Personal Information about you absent your consent. Onni endeavors to require third parties to which it discloses Personal Information to protect Personal Information using substantially-similar standards to those required by Onni, and to notify Onni if they make a determination they can no longer meet this obligation.

4.1.1 Service Providers

Onni may share Personal Information with our service providers that we have retained to perform services on our behalf including: (i) provision of IT and related services; (ii) provision of information and services you have requested; (iii) payment processing; and, (iv) customer service activities. Payment information will be used and shared only to effectuate your order and may be stored by a service provider for purposes of future orders.

Onni executes contracts with service providers, collaborators, business partners, vendors and consultants prohibiting them from using or sharing your Personal Information except as necessary to perform the contracted services on our behalf or to comply with applicable legal requirements.

4.1.2 Business Partners

Onni may share Personal Information with our affiliates for our and our affiliates' internal business purposes or to provide you with a product or service that you have requested. Onni may also provide Personal Information to business partners with whom we may jointly offer products or services, or whose products or services we believe may be of interest to you. In such cases, our business partner's name will appear, along with Onni's. Onni requires our affiliates and business partners to agree to maintain the confidentiality and security of Personal Information they maintain on our behalf and not to use it for any purpose other than the purpose for which it was provided.

4.1.3 Information Disclosed for Our Protection and the Protection of Others

We may disclose information about you: (i) if we are required to do so by law, court order or legal process; (ii) in response to lawful requests by public authorities, including to meet national security or law enforcement requirements; (iii) under the discovery process in litigation; (iv) to enforce Onni policies or contracts; (v) to collect amounts owed to Onni; (vi) when we believe disclosure is necessary or appropriate to prevent physical harm or financial loss or in connection with an investigation or prosecution of suspected or actual illegal activity; or, (vii) if we, in good faith, believe that disclosure is otherwise necessary or advisable. In addition, from time to time, server logs may be reviewed for security purposes, e.g., to detect unauthorized activity on the Sites. In such cases, server log data containing IP addresses may be shared where applicable with law enforcement bodies in order that they may identify users in connection with their investigation of the unauthorized activities.

4.1.4 Information Disclosed in Connection with Business Transactions

We reserve the right to disclose or transfer any information we have about you in the event of a proposed or actual purchase, any reorganization, sale, lease, merger, joint venture, assignment, amalgamation or any other type of acquisition, disposal or financing of all or any portion of our business or of any of the business assets or shares (including in connection with any bankruptcy or similar proceeding). Should such an event occur, Onni will endeavor to direct the transferee to use Personal Information in a manner that is consistent with this Privacy Policy.

4.2 Data Transfers

All Personal Information sent or collected via or by Onni may be stored anywhere in the world, including but not limited to, in the United States, in the cloud, our servers, the servers of our affiliates or the servers of our service providers. We will endeavor that any such transfers of Personal Information of an individual residing in the European Union outside of the European Economic Area will only be made where appropriate safeguards have been put in place.

Your Personal Information may be accessible to law enforcement or other authorities pursuant to a lawful request. By providing information to Onni, you consent to the storage of your Personal Information in these locations.

5.0 Your Privacy Rights

We encourage you to update the information you provide to us, such as providing us with a new mailing or email address, a name change, or a change in other material information you have notified us about. This will help us continue to provide information to you that best meets your needs.

In accordance with applicable law, you may have the right to: (i) request confirmation of whether we are processing Personal Information about you; (ii) obtain access to or a copy of your Personal Information; (iii) receive an electronic copy of Personal Information that you have provided to us, or ask us to send that information to another company (the "right of data portability"); (iv) restrict our uses of your Personal Information; (v) seek correction or amendment of inaccurate, untrue, incomplete, or improperly processed Personal Information; (vi) withdraw your consent; and, (vii) request return and or erasure of Personal Information held about you by us, subject to certain exceptions prescribed by law.

If you or your authorized representative would like to exercise any of these rights, please contact us as set forth below. We will process such requests in accordance with applicable laws. To protect your privacy, we will take steps to verify your identity, including requiring proof of identity before fulfilling request(s). Although Onni makes good faith efforts to provide Individuals with access to their Personal Information, there may be circumstances in which Onni is unable to provide access, including but not limited to: where the information contains legal privilege, would compromise others' privacy or other legitimate rights, where the burden or expense of providing access would be disproportionate to the risks to the Individual's privacy in the case in question, or where it is commercially proprietary. If Onni determines that access should be restricted in any particular instance, we will provide you with an explanation of why that determination has been made and a contact point for any further inquiries.

Onni does not discriminate or retaliate against anyone for exercising their individual rights under applicable laws, rules, or regulations.

5.1 Supplemental Notice for California Residents

This Supplemental Notice for California Residents only applies to our processing of Personal Information that is subject to the California Consumer Privacy Act of 2018 ("CCPA"). The CCPA provides users who are California residents with the right to know the Third Parties to whom we have disclosed their Personal Information in the prior calendar year, as well as the type of Personal Information disclosed to those parties. Additional Privacy Rights for California Residents

Non-Discrimination. California residents have the right not to receive discriminatory treatment by us for the exercise of their rights conferred by the CCPA.

Authorized Agent. Only you, or someone legally authorized to act on your behalf, may make a verifiable consumer request related to your Personal Information. You may also make a verifiable consumer request on behalf of your minor child. To designate an authorized agent, please contact us at privacy@onncreative.XYZ.

Verification. To protect your privacy, we will take the following steps to verify your identity before fulfilling your request. When you make a request, we will ask you to provide sufficient information that allows us to reasonably verify you are the person about whom we collected Personal Information or an authorized representative, which may include your name, email address, phone number, or birth date.

If you are a California resident and would like to exercise any of your rights under the CCPA, please contact us as set forth below. We will process such requests in accordance with applicable laws.

5.2 Supplemental Notice for Nevada Residents

If you are a resident of Nevada, you have the right to opt-out of the sale of certain Personal Information to third parties who intend to license or sell that Personal Information. You can exercise this right by contacting us at privacy@onncreative.XYZ with the subject line "Nevada Do Not Sell Request" and providing us with your name and the email address associated with your account. Please note that we do not currently sell your Personal Information as sales are defined in Nevada Revised Statutes Chapter 603A.

6.0 Retention

Onni retains the Personal Information we receive as described in this Privacy Policy for as long as you use our Sites or as necessary to fulfill the purpose(s) for which it was collected, provide our products and services, resolve disputes, establish legal defenses, conduct audits, pursue legitimate business purposes, enforce our agreements, and comply with applicable laws.

7.0 Security

The security of all Personal Information provided to Onni is important to us, and Onni takes reasonable steps designed to protect your Personal Information. Unfortunately, no data transmission over the Internet or storage of information can be guaranteed to be 100% secure. As a result, while Onni strives to protect your Personal Information, we cannot ensure or warrant the security of any information you transmit to Onni, and you do so at your own risk. You are responsible for maintaining the secrecy of your own passwords and security of your computer system. If you have reason to believe that your passwords or Personal Information connected with your use of our Sites is no longer secure, please promptly notify us by email at privacy@onncreative.XYZ.

8.0 Redress/Compliance and Accountability

If after reviewing this Privacy Policy, you would like to submit a request, you may use our privacy request form or call us at (424)284-6481. Additionally, for any request, if you have any questions or privacy concerns, you may also contact:

Design Dubb LLC dba Onni Creative LLC.

Privacy Officer

Email: privacy@onncreative.XYZ

Mailing Address: 9171 Wilshire Blvd., Ste. 500-276

Onni will address your concerns and attempt to resolve any privacy issues in a timely manner.

9.0 Other Rights and Important Information

9.1 Information Regarding Children

Due to the nature of Onni's business, services and benefits are not marketed to minors. Onni does not knowingly solicit or collect Personal Information from children under the age of 13 (and in certain jurisdictions under the age of 16). If we learn that we have collected Personal Information from a child under the age of 13 (and in certain jurisdictions under the age of 16), we will promptly delete that information.

9.2 Links to Third Party Websites

Please note that our Sites may contain links to other websites for your convenience and information. Onni does not control Third Party websites or their privacy practices, which may differ from those set out in this Privacy Policy. Onni does not endorse or make any representations about Third Party websites. Any Personal Information you choose to give to unrelated Third Parties is not covered by this Privacy Policy. Onni encourages you to review the privacy policy of any company or website before submitting your Personal Information on these websites. Some Third Parties may choose to share their users' Personal Information with Onni; that sharing is governed by that company's privacy policy, not this Privacy Policy.

9.3 Compliance

This Privacy Policy shall be implemented by Onni. Onni has put in place mechanisms to verify ongoing compliance with this Privacy Policy. Any Employee that violates these privacy principles will be subject to disciplinary procedures.

9.4 Changes to the Privacy Policy

Onni may update this Privacy Policy from time to time as it deems necessary in its sole discretion. Onni encourages you to review this Privacy Policy periodically to be informed regarding how Onni is using and protecting your information and to be aware of any policy changes. Your continued relationship with Onni after the posting or notice of any amended Privacy Policy shall constitute your agreement to be bound by any such changes. Any changes to this Privacy Policy take effect immediately after being posted or otherwise provided by Onni.

This Privacy Policy is effective December 15, 2023.
